

Did any healthcare professional you came into contact with during pregnancy talk about the cervical screening programme? (n=99)

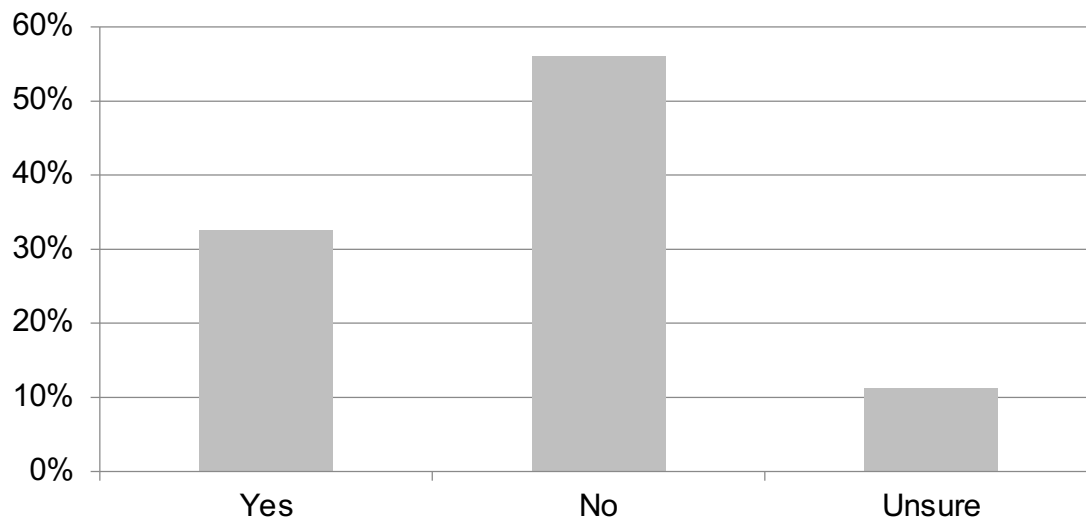

Were you out of date before you became pregnant, or had a reminder for your smear test during pregnancy or just after pregnancy? (n=98)

If yes, did any healthcare provider tell you when you could have your cervical screening test? (n=57)

Were you out of date before you became pregnant, or had a reminder for your smear test during pregnancy or just after pregnancy? (n=98)

If no or unsure did any healthcare professional investigate this further? (n=54)
