

DrugCategory_Name	Centre 1
Adrenoceptor agonists	Adrenoceptor agonists
antiarrhythmic Drugs	antiarrhythmic Drugs
Antibacterial Drugs	Antibacterial Drugs
Antiepileptics	Antiepileptics
Antifibrinolytic drugs and haemostatics	Antifibrinolytic drugs and haemostatics
Antifungal Drugs	Antifungal Drugs
Antiproliferative immunosuppressants	Antiviral Drugs
Antiviral Drugs	Beta-adrenergic receptor antagonists
Beta-adrenergic receptor antagonists	bisphosphonates
bisphosphonates	Calcium & Magnesium
Calcium & Magnesium	cardiac glycosides
Calcium-channel blockers	
Cardiac glycosides	Drugs affecting immune response
Centrally acting alpha-adrenoceptor agonists	Drugs used in Nausea and Vertigo
Corticosteroids and other immunosuppressants	Fibrinolytic
Drugs affecting immune response	Glucocorticoid therapy
Drugs for PCP	HIV Infection
Drugs used in Nausea and Vertigo	Hypnotics
Fibrinolytic	Insulin
Glucocorticoid therapy	intravenous anaesthetics
H2-receptor antagonists	Intravenous Iron
HIV Infection	Loop diuretics
Hypnotics	Neuromuscular blocking drugs
Insulin	Nitrates
Intravenous anaesthetics	Non-opioid analgesics
Intravenous Iron	Opioid analgesics
Local anaesthetics	Parenteral anticoagulants
Loop diuretics	Peripheral Vasodilator
Neuromuscular blocking drugs	Phosphorous
Nitrates	Poisoning antidotes
Non-opioid analgesics	Potassium chloride
Opioid Analgesics	proton Pump Inhibitors
Parenteral anticoagulants	Respiratory stimulants
Peripheral vasodilator	Rheumatic Disease suppressant drugs
Phosphodiesterase Type 3 Inhibitors	Somatostatin Analogue
Phosphorous	Sympathomimetics
Poisoning antidotes	Theophylline
Posterior pituitary hormones and antagonists	Tocolytics
Potassium Chloride	Vasodilator antihypertensive drugs
Prostaglandin analogues	Vitamins & Minerals
Prostaglandins & oxytocics	
Proton Pump Inhibitors	
Respiratory stimulants	
Rheumatic Disease suppressant drugs	
Somatostatin Analogue	

Sympathomimetics

Theophylline

Tocolytics

Treatment of Hypoglycaemia

Vasodilator antihypertensive drugs

Vitamin K

Vitamins & Minerals

Centre 2 Set 1

Adrenoceptor agonists
Antiarrhythmic drugs
antibacterial drugs
Antiepileptics
Antifibrinolytic drugs and haemostatics
Antifungal drugs
Antiproliferative immunosuppressants
Antiviral Drugs
Beta-adrenergic receptor antagonists
Bisphosphonates
Calcium & Magnesium
Calcium-channel blockers
Cardiac glycosides
Centrally acting alpha-adrenoceptor agonists
Corticosteroids and other immunosuppressants
Drugs for PCP

Drugs used in nausea and vertigo
Fibrinolytic
Glucocorticoid therapy
H₂-receptor antagonists
Hypnotics
Insulin
Intravenous anaesthetics
Local anaesthetics
Loop diuretics
Neuromuscular blocking drugs
Nitrates
Non-opioid analgesics
Opioid analgesics
Parenteral anticoagulants
Phosphodiesterase Type 3 Inhibitors
Phosphorous
Poisoning antidotes
Posterior pituitary hormones and antagonists
Potassium Chloride
Prostaglandin analogues
Prostaglandins & oxytocics
Proton Pump Inhibitors
Sympathomimetics
Theophylline
Tocolytics
Treatment of Hypoglycaemia
Vitamin K
Vitamins & Minerals

Centre 2 Set 2

Adrenoceptor agonists
Antiarrhythmic Drugs
Antibacterial Drugs
Antiepileptics
Antifibrinolytic drugs and haemostatics
Antifungal Drugs
Antiproliferative immunosuppressants
Antiviral Drugs
Beta-adrenergic receptor antagonists
Bisphosphonates
Calcium & Magnesium
Calcium-channel blockers
Cardiac glycosides
Centrally acting alpha-adrenoceptor agonists
Corticosteroids and other immunosuppressants
Drugs for PCP

Drugs used in nausea and vertigo
Fibrinolytic
Glucocorticoid Therapy
H₂-receptor antagonists
Hypnotics
Insulin
Intravenous anaesthetics
Intravenous iron
Loop diuretics
Neuromuscular blocking drugs
Nitrates
Non-opioid analgesics
Opioid analgesics
Parenteral Anticoagulants
Peripheral vasodilator
Phosphodiesterase Type 3 inhibitors
Phosphorous
Poisoning antidotes
Posterior pituitary hormones and antagonists
Posterior pituitary hormones and antagonists
Potassium Chloride
Prostaglandin analogues
Prostaglandins & oxytocics
